## Mini Pendant

Simple and elegant the Parrish collection is a lovely blend of masculine and feminine, old and new. A versatile, smooth black finish overlays the graceful, traditional arms. Matching socket covers add a touch of color to the clear, textured seeded glass. The contemporary shape of the glass and simple finish gives this otherwise classic silhouette a modern update. Perfect for traditional to transitional interiors, this charming collection is a timeless beauty. This family offers a variety of fixtures to suit all of your interior lighting needs. This mini pendant is an eye-catching accent that can be used alone or arrayed in a group. The down-light provided by this pendant is great for task lighting.
